

PLAY IN A DAY

Suitable for Years 4 - 7 (Key Stages 2 and 3)

Our Play in a Day workshop is a fun, interactive day culminating in a Shakespearean performance. Exploring Shakespeare with CSSF encourages open-mindedness and curiosity in students as they navigate the characters and stories and our Play in a Day workshop is the most innovative way to embed resilience and creativity into your school reopening, facilitating reconnection both socially and educationally as we all settle into the 'new normal'.

During the course of the day we will support your young people to recreate one of Shakespeare's stories in their own unique way.

Play In a Day supports students to:

Improve oracy

Unlock language skills

Support character development

Develop confidence

- Get to know the plot of a key Shakespeare play
- Inhabit Shakespearean characters
- Perform using key text from the play
- Work collaboratively, building on teamwork and communication skills
- Experience pride, starring in their own Shakespearean performance
